Alpha Chi Rho National Fraternity is happy to announce the hiring of Brother Landon Allen, (ΦΜΧ, '17) as a Leadership Consultant for the Mid-West Chapters and our Colony at Miami University of Ohio. Brother Nicolás R. Hewgley (ΔΣΦ, '15), who previously served in the Leadership Consultant position, has been promoted to Director of Communication and Development for the Fraternity.

Landon Allen graduated with a Biology/Chemistry degree from Lock Haven University in 2017. One of Landon's true passions in life is helping others through dentistry. Landon has spent numerous hours shadowing dentists and learning about the world of dentistry. He hopes to be accepted into a dental school program and earn his Doctor of Dental Medicine degree. From there, Landon plans to run his own dental practice and treat patients in underserved areas.

Landon is from the Phi Mu Chi Chapter at Lock Haven University (LHU). During his college career, Landon spent many hours helping grow Alpha Chi Rho, Greek Life, and his University as a whole. He is a past Chapter president, recruitment coordinator, Chaplain, and Ritual officer. One interesting fact about Landon is that he visited over 22 Chapters in his undergraduate career. Within Greek Life at LHU, Landon served on the Interfraternity Council as Delegate and Parliamentarian for several years. On campus, Landon loved speaking with prospective and current students as an ambassador, orientation leader, CEI intern, and a mentor. In his senior year Landon reestablished Order of Omega, a leadership honor society for Greek Life members.

Nicolás R. Hewgley graduated from Worcester Polytechnic Institute (WPI) with a Bachelor's of Science in Humanities and Arts in 2015. He is happy to continue to serve Alpha Chi Rho in this new role and to help Cultivate Men of Word and Deed whether they are Graduate or Resident Brothers.
