

FOR IMMEDIATE RELEASE
University of Illinois Chapter Closure

August 31, 2017
Neptune, New Jersey

The Alpha Chi Rho National Council voted and approved to close the Phi Kappa Chapter on the University of Illinois campus at the end of the spring 2017 term. Over the last three years, the primary goal was to regain recognition from the Interfraternity Council and University. The lack of progress towards that goal precipitated the decision to close the Chapter.

The Phi Kappa Chapter was chartered in May of 1916. We are committed to returning to the University of Illinois Greek community at some point in the future. We look forward to partnering with the Greek Life office and the members of the Greek Community.

We will be seeking men of Character, Honor, and Integrity who identify with our values and ideals towards academics, community service, leadership, and social responsibility.

All further inquiries should be directed to the National Headquarters at info@alphachirho.org.
