THE EDITOR'S WORD IN EDGEWISE

ACKNOWLEDGEMENT

PGARNET & WHITE hopes that the Fraternity members will be pleased to see this, the third edition of the Alpha Chi Rho song book. As our readers know, its issuance has been heralded in our regular columns for some months.

The Fraternity is indebted to Paul F. Worcester, Purdue '39, chairman of the song book committee, who has devoted much time assembling the material. Anyone who has had any experience in the production of this type of book can appreciate the time and effort required before the publication becomes a reality.

We are also happy to acknowledge the help of John R. Brierly, Brooklyn Poly '10. As a past chairman of the song book committee, John had accumulated much of the data for the present volume, and in addition has contributed materially in the financing of the book.

It is our hope that the 1942 Alpha Chi Rho song book will bring pleasure to every member of the Fraternity. With a salaam to Brother Worcester and his committee, THE GARNET AND WHITE proudly presents the 1942 edition of Alpha Chi Rho songs.
