# BROTHERS & FRIENDS,

Winning! That is what you might say if you were in my shoes looking back on the last seven years as President. It is amazing how we are moving forward as a Foundation. Your increased support this past year made it possible to fund the Crow Coach mentor program for our Chapters, host a successful InDeed Institute for our rising undergraduate leaders and, this year, implement career development programs at our 105th National Convention. You have shown your Alpha Chi Rho team spirit!

Our true game changers are the newest donors: our resident Brothers who have reinvested in their own success by donating during their college career. We created the **myPhi society** to honor these young men who will lead us into the next 125 years.

We are experiencing growth not only in the Foundation, but in the Fraternity. As we return Chapters to the roll, graduate Brothers (like those of you at West Chester and George Mason) have stepped up to the plate to fund the cost of their new Colonies to attend Convention, Conclave and our summer InDeed Institute. **These campaigns resulted in over \$20,000 in 2018** and were championed by graduate Brothers who believe in the legacy of the Landmarks.

I am particularly impressed with those of you who have started making leadership gifts in honor or memory of your Chapter Brothers. Over \$10,000 in gifts were attached with tributes to those who have embraced being men of word and deed.

We have also seen more men doubling down by making a monthly recurring donation – it's easy and has provided a consistent predictable income for the Foundation to meet the growing needs of our resident Brothers.

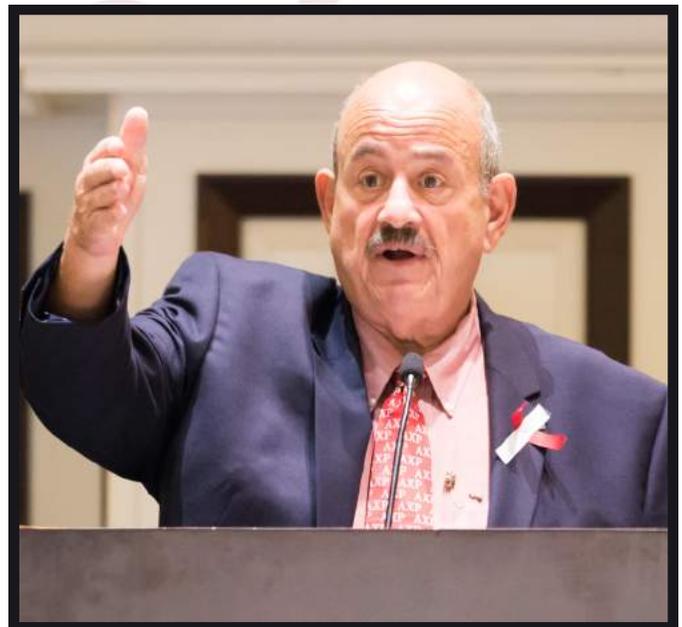

Thanks to all of you for what you do for the Foundation and our Brothers to assure they have the same kind of experience as we all did. Enjoy the Annual Report!

Together, we can hit a homerun in 2019!

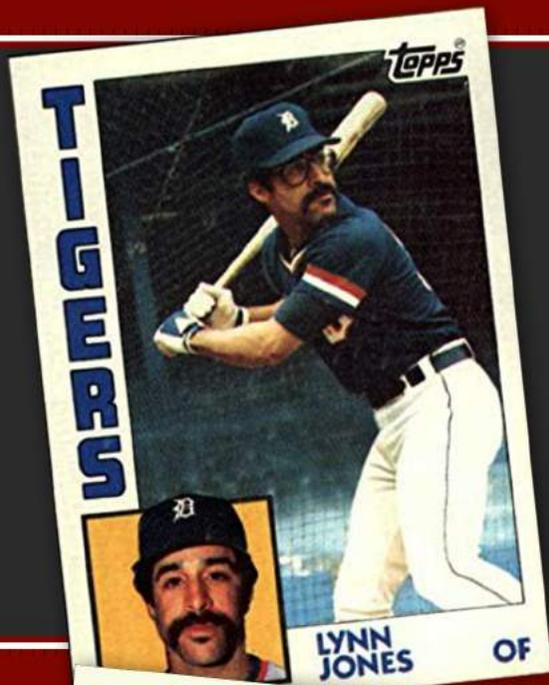

In the Bond,

Gary DelPiano  
President, AXPEF

*PS. Everyone has an amount to give that is right for them. If you feel you can raise your donation amount, please do. Go to [alphachirho.networkforgood.com](http://alphachirho.networkforgood.com) and make your game plan today!*

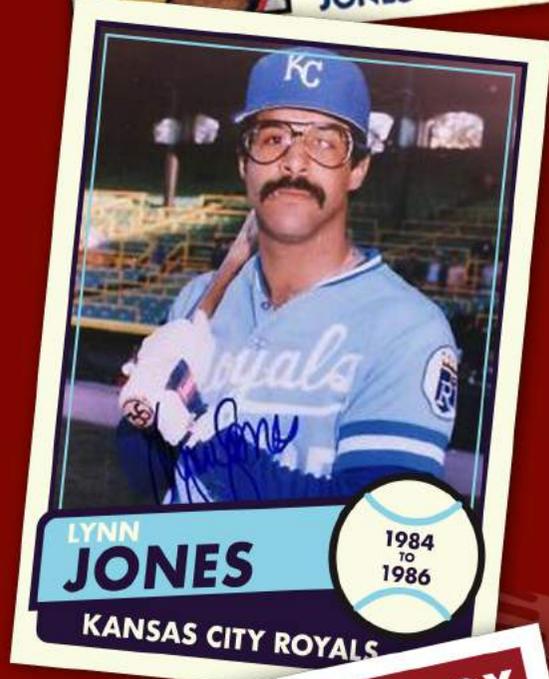

# LYNN JONES

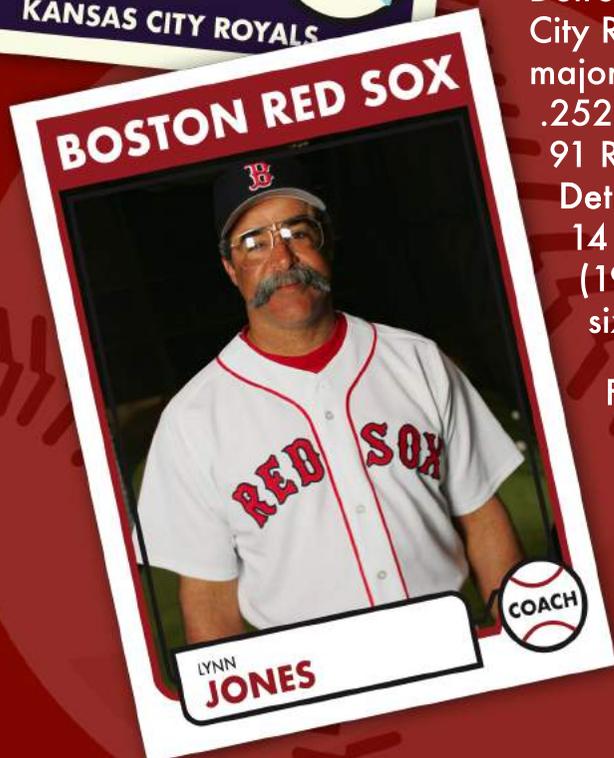

## THETA PHI 1974

Brother Jones attended Thiel College, in western Pennsylvania, where he played for the Tomcats, setting the school's single-season batting record, hitting .440 in 1974. In 1987, he was inducted into the college's athletic Hall of Fame. He joined the Theta Phi Chapter of Alpha Chi Rho Fraternity while at Thiel.

He is a former outfielder in Major League Baseball who played for the Detroit Tigers (1979-83) and Kansas City Royals (1984-86). Over eight major league seasons, Jones was a .252 hitter with seven home runs and 91 RBI's in 527 games. Named Detroit's Rookie of the Year in 1979, Jones also played in 14 career post-season games with the Kansas City Royals (1984-85), going 2-for-3 with a double and a triple in six games in the 1985 World Series against St. Louis.

Following his retirement as a player, Jones managed in the minor leagues for the Florida Marlins and Atlanta Braves organizations. In 2004-2005, Jones was the first base coach for the Boston Red Sox, when they won the World Series. After working as the minor-league baserunning coordinator for the Braves, Jones joined the coaching staff of his alma mater, Thiel College, in 2013.

# MARCH MADNESS

THE EVOLUTION OF

# CROW BOWL

Athleticism has long been part of the Alpha Chi Rho experience. Not only have we had our share of varsity and professional athletes rise from among our Brotherhood, but all our Chapters were also active in intramural and club sports on our 100 campuses. However, a signature sporting event over 45 years ago became the most anticipated competition of the year: CROW BOWL.

**1973**

**MARCH 30, 1973**

The first Invitational Tournament was held to compete for the basketball championship of the Alpha Chi Rho world. John Ross (Phi Lambda 1973), then Resident Councillor and future National President) was charged with coordinating the logistics of the day. One hundred men from over a dozen Chapters traveled to State College with sleeping bags to spend the weekend at 425 Locust Avenue. With the bracket narrowing to a championship game ending with Slippery Rock over Allegheny (52-43), National President George M. Mills (Beta Phi 1944) and National Secretary Paul K. Addams (Phi Phi 1929) bore witness to the start of a new tradition in the Fraternity. National Editor, Rick Sinding (Beta Phi 1967), also future National President, covered the story in the 1973 summer edition of the Garnet and White.

**1973  
TO  
1989**

**STATE COLLEGE, PA**

The tradition continued not only on the basketball courts at local elementary schools near Penn State, but the social scene that weekend was alive and well in the newly coined "Crow Bowl" weekend. Little sleep was had with a jammed packed tournament and party schedule, but fun was had by all on and off the courts. This event precipitated the annual Leadership Scholarship Institute and Conventions, allowing intrafraternal bonds to form throughout the school year and summer months.

Crow Bowl became so large, it was decided to host it as a double elimination tournament to keep it within the weekend. A change to the risk management policy (and concerns from the campus) made the event alcohol-free in 1988, when the Pi Phi Chapter at Robert Morris took home the trophy.

1990  
TO  
1992

## OMICRON PHI BECOMES THE NEW HOST

In 1990, after a newly constructed Phi Lambda house was complete, the event had to be moved to another location. The right to host Crow Bowl was given to the 1989 champions, Omicron Phi at Utica College. Without a house to host the participants as was done in State College, all activities were hosted on campus including meals in the cafeteria and games in the campus gym. Utica also created Crow Bowl t-shirts that were included in the entrance fees. Omicron Phi served as host in 1991 and 1992. In 1993, reigning champions, the Gamma Chi Phi Chapter at George Mason, became the final host for the basketball tournament.

1993  
TO  
2006

## COURT TO FIELD

The same year the basketball tournament ended at George Mason, Crow Bowl took on the form of a flag football tournament in the Fall. Hosted by Phi Kappa Chi at Temple University Ambler on October 10, 1993, the championship game saw the (now inactive) Chapter at Frostburg State as victors over Mansfield. Over 250 men from 16 Chapters participated in this inaugural tournament. The event was so

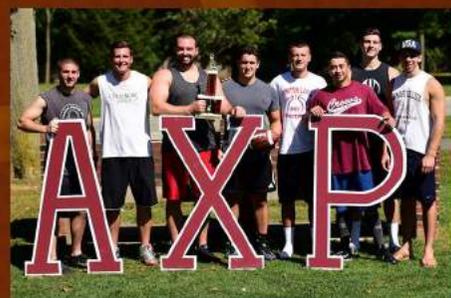

popular and allowed the newest Postulants from Chapters to participate. It became a selling point for Fall recruitment in the 1990s. The following year, the football tournament was divided into two physical locations: Crow Bowl West included the Chapters in Michigan, Illinois, Indiana and Ohio; and Crow Bowl East with the remaining East Coast Chapters. By 2006, Crow Bowl saw little participation in the event due to scheduling conflicts with academic calendars and Chapter recruitment events deferred into mid-Fall semester.

2016  
AND  
BEYOND

## REVIVED

Crow Bowl was revived in Fall 2016 at the request of many resident Brothers. The fields at the College of New Jersey were used as this was also the site of the AXPEF Trustee Meeting. A very windy day brought 10 teams to play a single elimination tournament with the Xi Chi Phi Graduate Chapter from Ramapo stealing the title: the first time in the history of Crow Bowl where graduate Brothers entered a team. The following year, the Eta Chi Phi Chapter hosted the event and once again the Xi Chi Phi graduates kept their title.

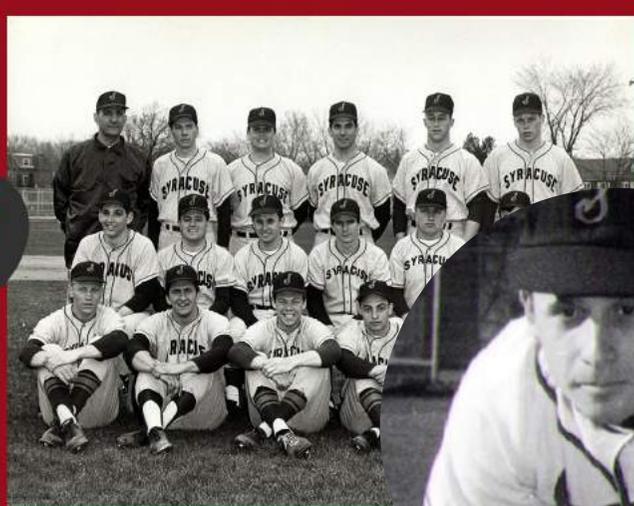

**Four decades of a great athletic tradition begs the question: what will this event look like in 2019?**

Support from our loyal donors and graduate Brothers will allow our men to come together in the spirit of friendly competition. Perhaps it's time to return to basketball or is it something new?

# Herm CARD

*Phi Epsilon  
1968*

Brother Card received his Bachelor of Arts and Master of English Education degrees from Syracuse University, and retired as an English teacher in the Marcellus (NY) Central School District after 32 years. He is a 2018 Syracuse University Letter Winner of Distinction.

He played and coached baseball at Syracuse University, umpired NCAA, international and other levels of baseball, served as a major in the United States Army Reserve, and was an education consultant at the National Baseball Hall of Fame and Museum.

Brother Card was a freshman baseball numeral winner (1965) and a three-year varsity letter winner. He joined the Phi Epsilon Chapter, served on the Student Senate, and was a contributor for the Daily Orange (1964-65).

After graduation he moved to the sidelines as an assistant baseball coach for the Orange from 1968 through 1972 before becoming a recruiting officer for the New York National Guard. In 1974, he put his degrees to work as an English teacher for Marcellus Central School District where he stayed until his retirement in 2006. Card served in the U.S. Army Reserve and National Guard from 1968 until his retirement as a major in 1981.

Card served on the New York State English Council board for 10 years and was a member of the policy board of the Central New York Teaching Center for a decade. In addition, he participated in multiple professional organizations at the local, state and national levels. His poetry, essays, humor and sports articles have appeared in multiple publications. Among his professional awards, Card earned the New York State Council Educator of Excellence honor, the New York State English Council Program of Excellence Creator Award, and multiple teaching award grants.

Card transitioned from baseball player to umpire, working as an official for 50 years including multiple NCAA regional tournaments, Division II and III College World Series, five Babe Ruth League World Series, and many regional, national and international tournaments. He also was a high school soccer official for 10 years. He is a member of the New York State High School Athletic Association Hall of Fame.

A skilled photographer, Card donates his time to photograph the Syracuse Challenger Baseball Program, Onondaga County's National Adoption Day programs, and local veterans groups. He also works as a New York State Senate special assistant, an adjunct professor at the S.I. Newhouse School of Public Communications, and as a photographer for the Syracuse Mets.

# PLAYING THE FIELD OF DREAMS

## OURHOUSE

OurHouse is a leading Chapter management mobile app and software which helps streamline daily operations and communication for Greek members and the community. The implementation of the app is open to all Chapters and is sponsored in part by your donations to the Alpha Chi Rho Educational Foundation. Both the Fraternity and the Educational Foundation can now send out leadership opportunities, scholarship/grant information, pertinent documents and registration links to members through the application to ensure connectivity.

OurHouse provides all Chapters of Alpha Chi Rho the ability to run their Chapters more efficiently through the use of an event calendar, an automatic geolocation attendance system, push notifications distributed instantly and stored on the Chapter's news feed, direct/group messaging, a polling feature to conduct internal votes, full member rosters, a document portal, and organizing the tasks/chores and meals for Chapters with properties. OurHouse also partners with local businesses and our national vendors to offer special deals to our members.

In Summer 2018, thanks to your generous donations, resident Brothers and a team of volunteers attended the second biennial InDeed Institute at Trails End Camp in Honesdale, PA. Designed and led by AXPEF Trustee, John DiSarro (Phi Zeta Chi '07), the curriculum dove into the Ritual of the Fraternity and what it means to be a man in society today. Our men were charged with devising a plan to maintain relevance for Alpha Chi Rho on college campuses. This year's Institute culminated in team presentations to the Fraternity and Foundation leadership in a "Shark Tank" style program. Our resident Brothers pitched innovative communication platforms, education resources and leadership trainings needed for them to succeed. These ideas will need funding from loyal donors to become a reality in 2019 and 2020.

As an undergrad, Scott served as Colony & Chapter president for 2 terms, in addition to serving as recruitment chair for the UMass Order of Omega Chapter. After getting his degree in Kinesiology from UMass, Scott decided to enroll in the Business & Analytics graduate program at the UMass Isenberg School of Management. Upon completion of the program, he plans on working as either a Management Consultant or Data Analyst. In his spare time, he enjoys golfing, working out and reading. When he's not in Amherst, he enjoys spending time in his hometown of Winthrop, Massachusetts.

## SEAN ALEXANDER ALPHA PHI ETA RUTGERS-CAMDEN 2020

Sean is a Biology Student at Rutgers University - Camden and lives in Berlin, NJ. Sean hopes to find himself in Veterinary School upon graduation. His life has centered around this goal through experiences such as a wildlife care intern at Cedar Run Wildlife Refuge and establishing a Pre-Veterinary/Animal Science Club at Rutgers. Sean has a passion for the outdoors and its creatures, especially snakes and other scaly creatures.

A Polish-born Jewish man who fled to the U.S. with his mother just before World War II, Moe made his MLB debut in 1956 for the Chicago Cubs as a senior at Trinity College. Brother Drabowsky went on to win two World Series Championships as the pitcher for the Baltimore Orioles.

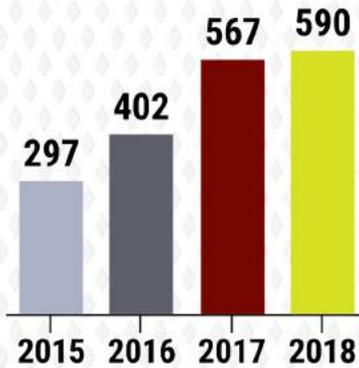

Drabowsky was well known as quite the jokester on the field whose jokes involved, among other things, being rolled to first base in a wheelchair after claiming to be hit on the foot by a pitch while with the Cubs. Teammate Dick Drott obtained the wheelchair and pushed Drabowsky to first—and was ejected from the game. One of his specialties was the “hot foot” (a prank where the prankster sets the victim's shoe laces or shoe on fire with a match or lighter); he even victimized Commissioner Bowie Kuhn during the Orioles' 1970 World Series celebration. After retiring, he once called the bullpen phone and imitated Oriole manager Earl Weaver to get a reliever working. Weaver was shocked to see a reliever warming up in the pen and called his bullpen coach to find out what was going on.

Volunteer Team**

**Ritual Education  
at InDeed**

"We are so grateful that our second annual R.B. Stewart Day of Giving on March 31, 2018 (R.B.'s Birthday) raised over **\$17,000** from **145** donors!

You have honored a great Alpha Chi Rho man and enabled the Fraternity to give the gift of leadership to the local Chapters through active coaching and program support.

We look forward to hosting the third annual event on March 31, 2019 in which the goal will be to award \$1,000 grants to top participating Chapters."

# **GIVING TUESDAY —2018—**

Giving Tuesday 2018 yielded over \$10,000 in giving, primarily from graduate Brothers who have never given in the past. Thanks to a gift from Past National President, Sean Hughes (Phi Eta Chi 1991), each Chapter was granted a newly created USA themed 3'x5' flag to celebrate their AXP pride.

# KEEPING SCORE: HOW GRADUATE CHAPTERS STAY ALIVE

Loyalty to your alma mater is commendable. There is now an opportunity for you and your fellow Chapter Brothers to give the gift of leadership to the Alpha Chi Rho undergraduate men at your institution. Is your Chapter inactive right now? Your donation can create funds for a successful return (if possible) in the future or adopt a new Chapter to succeed, secure funding for Chapter scholarships and allow more delegates to attend leadership schools, professional development seminar, Conclaves and Convention. Your participation is simple. Indicate in the donation your Chapter designation. Totals will be compiled throughout the year.

In 2018, two graduate Chapters came together in anticipation of the reactivation of their resident Chapters.

## WEST CHESTER UNIVERSITY PHI NU CHI CHAPTER

Chartered – 1983; Returning – 2019  
Amount raised as of 12/31/2018: \$13,850  
Number of Donors: 30  
Average Donation: \$461

## GEORGE MASON UNIVERSITY GAMMA CHI PHI CHAPTER

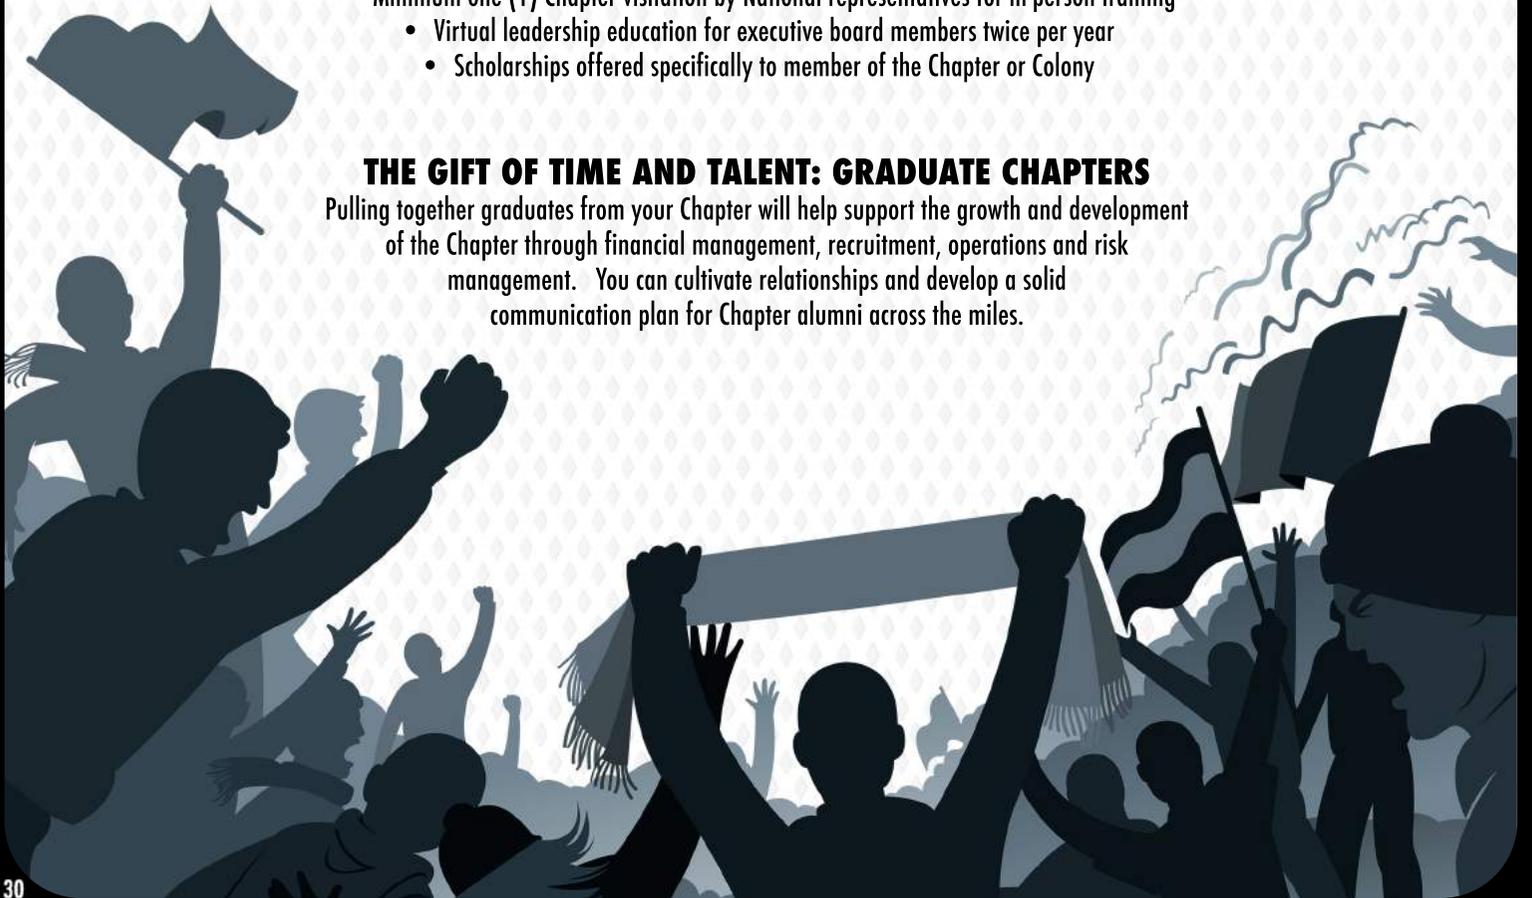

Chartered – 1989; Returning – 2019  
Amount raised as of 12/31/2018: \$7,500  
Number of donors: 19  
Average Donation: \$394

### FUNDING CAN BE USED FOR THE FOLLOWING EDUCATIONAL PURPOSES:

- Access to educational grants (up to \$1,000) for community service projects and academic programming
- Registration, travel and accommodations for two (2) delegates to the InDeed Institute or Conclave
  - Minimum one (1) Chapter visitation by National representatives for in-person training
  - Virtual leadership education for executive board members twice per year
  - Scholarships offered specifically to member of the Chapter or Colony

### THE GIFT OF TIME AND TALENT: GRADUATE CHAPTERS

Pulling together graduates from your Chapter will help support the growth and development of the Chapter through financial management, recruitment, operations and risk management. You can cultivate relationships and develop a solid communication plan for Chapter alumni across the miles.

## + THE GAME PLAN: PLANNED GIVING EXPLAINED

Securities and mutual funds that have increased in value and been held for more than one year are one of the most popular assets to use when making a gift to the Alpha Chi Rho Educational Foundation. Making a gift of securities or mutual funds to us offers you the chance to support our work while realizing important benefits for yourself.

When you donate appreciated securities or mutual funds you have held for more than one year to us in support of our mission, you can reduce or even eliminate federal capital gains taxes on the transfer. You may also be entitled to a federal income tax charitable deduction based on the fair market value of the securities at the time of the transfer.

Securities are most often used to support our work in the form of:

Patrick Joseph Kelly II (October 29, 1965 - March 28, 2003) was a National Football League tight end who played for the Denver Broncos (1988–1989) and the New York Jets (1990–1991). He played in 44 games over 4 seasons, starting only the 1988 AFC Championship due to an injury to starter Clarence Kay. Kelly also played in Super Bowl XXIV. He died of cancer on March 28, 2003.

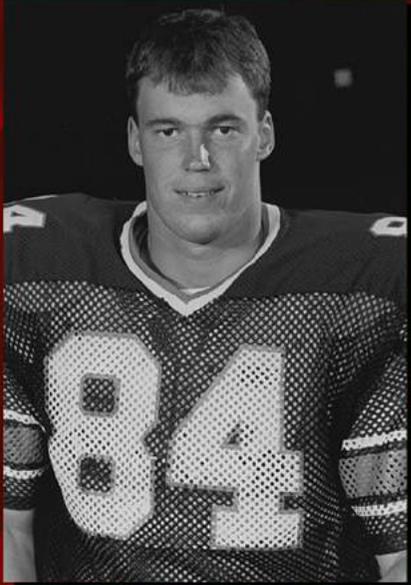

## CAREER INFORMATION

College: Syracuse

NFL Draft: 1988

Round: 7

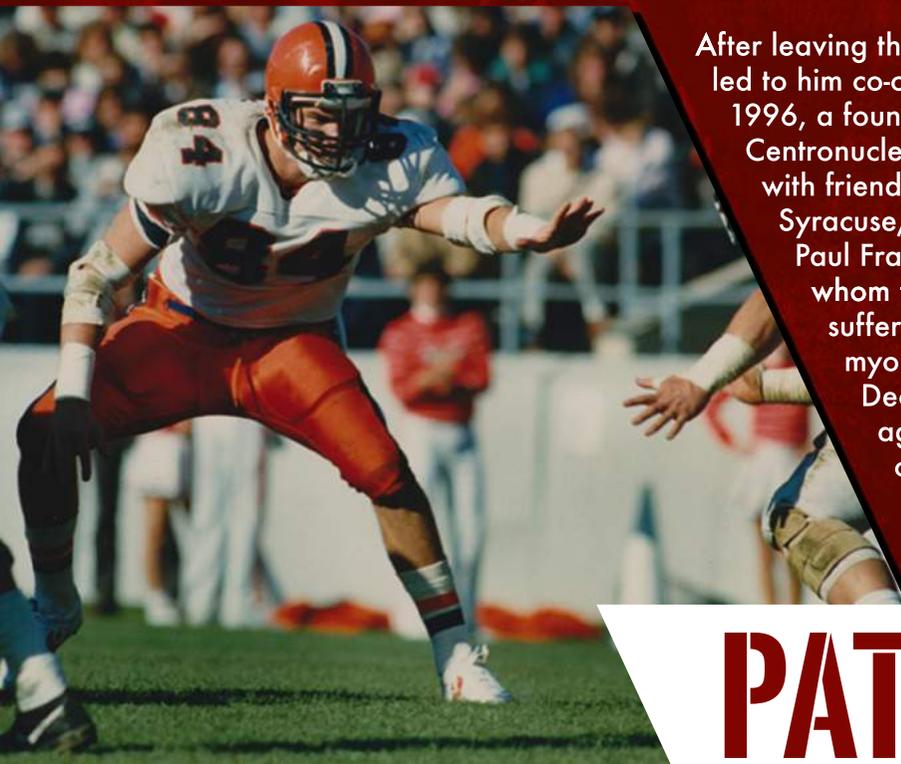

Pick: 174

Kelly attended R. L. Thomas High School in Webster, New York, before heading to Syracuse, New York to play with the Syracuse Orange football team. A star tight end at Syracuse and a four-year NFL player with the Broncos and Jets, he also played on SU's 11-0-1 football season in 1987. Preserving the undefeated season, his TD catch with time running out versus West Virginia is one of SU's great football moments. Head Coach Greg Robinson said of him,

“...There was Pat Kelly. Pat Kelly – what a character. This guy was as bright as they came. He was at the Jets, and at the Broncos, went on and was doing a wonderful job on Wall Street. Pat was the kind of guy who he could turn a locker room because of the way he could disrupt it with his sense of humor. He could take over a whole football team. He was a guy who everybody not only remembered as a player, but also as a person. Sadly, we lost Pat not too long ago. He is always remembered for what he was – a special person.”

Kelly also won the Zunic Award, which is given annually to anyone who exhibits the courage and spirit of Mike and Judy Zunic. More specifically, it usually signifies overcoming a severe injury.

After leaving the NFL, Kelly became a successful businessman. This led to him co-creating the Joshua Frase Foundation in the fall of 1996, a foundation devoted to raising funds for research into Centronuclear myopathy and related congenital myopathies, with friend and former

Syracuse/New York Jets teammate Paul Frase. Frase's son Joshua, for whom the foundation is named, suffered from centronuclear myopathy and died on December 24, 2010 at the age of 15. Kelly also created the JFF Muscle Dream Team Gala and helped raise millions of dollars for the foundation.

# MYPHI UNDERGRADUATE GIVING SOCIETY

The myPHI Society was established in 2017 to recognize resident Brothers who have contributed to the Alpha Chi Rho Educational Foundation during their undergraduate career. Since then, 201 men have become part of this society. We are proud of these men who are reinvesting in their own Chapter's success, thus "my" Phi.

# RUNNING INTO OVERTIME

There just isn't enough time and space to say THANK YOU!

Your financial support of the Foundation this year gave me the same excitement and energy I would feel at the start of a collegiate regatta. **You are truly game changers!** If you were ever a collegiate athlete or participant in intramural or pick-up sports games, you understand the power of TEAMWORK. As a Brother of Alpha Chi Rho, you have made a field of dreams come true for our college men – and I cannot thank you enough.

**You have impressed me with your loyalty to Alpha Chi Rho through your philanthropy.** We have more Brothers engaged than ever before and even undergraduate Brothers are investing in their own education by donating! More men are turning to their employers to get matching donations and most donors have increased their annual donations by over 25%! 2019 will shine bright now that we are able to fund much needed technology support for our Chapters, career development and networking programs, volunteer training and increased grant and loan amounts.

As our new season begins, it's time to take the field with a renewed sense of purpose and mission:

***Alpha Chi Rho cultivates a lifelong brotherhood where men challenge and inspire each other, through character, honor and integrity, to improve themselves, their fraternity and society.***

While we have increased our funding for more educational and leadership programs for the third year in a row, we have identified mentorship as a high priority for our resident Brothers and a comprehensive training program for our volunteers in the coming year. We have created a new position at headquarters to champion these efforts and continue to provide support for our Foundation programs and services: Director of Education and Programs. How can we afford this? Consistency.

***Graduate Brothers who give consistent monthly donations allow the Foundation to rely on guaranteed income.*** This is important since:

- the number of men applying for grants and scholarships is increasing as our membership grows.
- there is a high demand for our student loans since our interest rate is 0% until one year after graduation (and then only 5% after that!)
- Chapters are applying for more community service grants to offset their overhead costs and donate 100% of their fundraising to local charities.

So dust off that Alpha Chi Rho jersey, jacket or hat and let's play ball! You have proven that we have been winning the fraternity game for 125 years and, with your continued support, for years to come.

In Word and Deed,

Jay Anhorn, Phi Mu 1995  
Director of Development
