01

ON-CAMPUS OPPORTUNITIES

There could be many ways for your organization to volunteer on campus. Check with your Center for Student Involvement or Volunteer Center for more information. Connect with community service based organizations to cosponsor events. Reach out to the Greek Life Office to find campus events that may need assistance with set up/break down.

HOST AN EVENT ON CAMPUS

You can always host an event on campus to create an opportunity for your members and others to volunteer! You can create packaged lunches for those in need, host a clothing drive, gather non-perishables for your local food bank, or collect monetary donations for a local hospital/charity in need.
