AXPEF PRESIDENT'S PEN

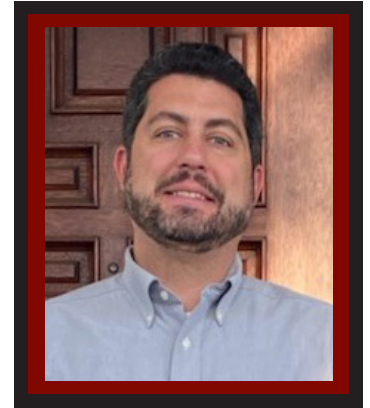

The mission of the Alpha Chi Rho Educational Foundation is to cultivate academic excellence and leadership development through financial assistance and program support for the educational pursuits and initiatives of the Brothers, Chapters, National Council of the Fraternity of Alpha Chi Rho, and other students. The Foundation fosters a lifetime commitment to personal enrichment and community service by members of Alpha Chi Rho as men of word and deed. This is a big mission, but the right mission. We best move forward when we move forward together.

The Foundation advanced every aspect of its mission this past year. We celebrated scholarship recipients and the donors who make those scholarships possible at the 107th National Convention. Trustees worked with Chapters and Fraternity staff to spread the word on the benefits and services of the Foundation. We collaborated with new volunteers and the National Council to understand the current and future educational needs of Alpha Chi Rho. The Foundation continued to support educational programming and provided new opportunities for Brothers' future needs. Long-serving volunteers were retained and new ones also were welcomed into the fold!

By working together, we continue to grow our endowment and increase the financial assistance provided by the Foundation. You have raised your hand to volunteer, set up sustaining recurring gifts, remembered us in your future plans, and helped us outreach to our members. Thank you for all you have done this past year. I am excited to see what we can do together!

LONG RANGE PLAN REAPS RESULTS

BY NANCY A. JONES, TRUSTEE

In just two-and-a-half years, the Educational Foundation has actualized 71% of our goals (completed and/or in progress) that were established in 2021. All accomplishments are not highlighted below, just the ones that have the biggest impact on our future.

Continued engagement through the Ambassador Program increases awareness of the many ways the Alpha Chi Rho Educational Foundation can financially support Chapters and individual Brothers through our competitive scholarships, loans, and Chapter grants.

Implemented a new cloud-based Customer Relationship Management (CRM). This system enhances our ability to communicate with donors and improve donor reporting capabilities.

Launched a new corporate sponsorship website and brochure. These promotional tools showcase ways to add to our endowment through corporate matching gift programs and other sponsorship opportunities.

Conducted an assessment of the National Headquarters location and structure. The Foundation is renovating the National Office to become ADA compliant and a better place to entertain, support, and serve the Brotherhood.

Long-Range Plan Committee is actively preparing for our 75th anniversary celebration in 2025. Our vision is to create a committed and engaged organization with expanded educational opportunities.

Alpha Chi Rho Educational Foundation has built a solid foundation to achieve our goals; one that is flexible, measurable, and realistic. With your commitment, we can continue to grow and innovate to meet future challenges.

Trustee Nancy Jones presenting Osama "Sam" Al Safarjalani the Donald F. Jones Graduate Scholarship at the 107th National Convention.

CORPORATE SPONSORSHIP

To learn more about this unique opportunity, scan the QR Code or visit alphachirho.org/sponsor.

The Foundation would like to thank the following companies that have matched donations from donors in 2023:

Adobe

Bank of NY Mellon

BP Foundation

CAF America

Citizens Charitable Foundation

IBM

Marsh McLennan

Microsoft

Molson Coors

Verizon

Through the Educational Foundation's partnership with Double the Donation, most donors can double their gift at no additional charge. When donating, select "I want my company to match my gift", enter your company, and Double the Donation will take it from there!

Additionally, the Foundation is seeking corporate sponsorships for signature educational programming such as the InDeed Institute and Winter Conclave.

GIVING TUESDAY

Giving Tuesday, the international day of giving, occurs the Tuesday after Thanksgiving to kick off end of the year giving. Alpha Chi Rho Educational Foundation has participated in Giving Tuesday since 2017. In 2023, the Educational Foundation raised \$13,364.86 from fifty-three donors! The average donation per donor was \$252.17. Thank you for your continued support!

R.B. STEWART DAY

Since 2017, the Educational Foundation has honored the legacy of R. B. Stewart (Phi Omicron, 1923) through a day of giving on his birthday, March 31. On average, the Educational Foundation raises \$15,000 each year on this day. In 2023, the Educational Foundation raised \$16,276.85 from seventy-nine donors! The average gift was \$206.04. Congratulations as well to the Phi Lambda resident Chapter at Penn. State for winning the resident Chapter competition. Thank you to all the resident and Graduate Brothers that participated in the competition.

WHERE DOES MY MONEY GO?

Donors frequently seek the answers to two questions: "Do you really need my money?" and "Where does my donation go?".

Your donation helps cultivate academic excellence, develop leadership, and support individual growth, maturity and well-being through scholarships, grants, and loans.

Services for Individual Brothers:

Every year, we award twelve competitive scholarships of up to \$4,000 to undergraduate Brothers to support the cost of their academic growth. Four graduate Brothers seeking advanced education receive scholarships of \$3,500 each.

We provide low-interest loans of up to \$3,500 to undergraduate and graduate students.

Members can receive a grant for initiation fees for most educational honor societies.

Services for Chapters:

All resident Chapters with a Scholarship (Faculty) Advisor are eligible for a Scholarship Advisor grant to both the Chapter and Advisor.

Additional grants are available to Chapters to support the growth of their libraries, reimburse expenses from their own charitable activities, help pay for educational speakers, and reimburse expenditures that improve their health and safety.

Educational Area Use Grants are available to Chapters that dedicate a portion of their Chapter facility to educational purposes.

Services for the Brotherhood:

The Alpha Chi Rho Educational Foundation supports the National Fraternity's educational programs and services, including anti-hazing programs, leadership development, and life skills training.

Support is provided to the Fraternity for the InDeed Institute, which educates our emerging leaders in Character, Honor, and Integrity, and the Winter Conclave which educates newly elected officers.

Scholarships are provided to resident Brothers attending the Northeast Greek Leadership Association's (NGLA) annual leadership conference. Since 2018, Alpha Chi Rho Educational Foundation has helped sponsor NGLA's mission.

SCHOLARSHIP WINNER SPOTLIGHT

Every year, the Alpha Chi Rho Educational Foundation awards twelve competitive scholarships to undergraduate Brothers and four scholarships to Graduate Brothers. To view the full list and biographies for each winner, please scan the QR Code or visit www.alphachirho.org/foundation/success-stories/.

MICHAEL A. SOTTILE ΑΦΓ | **2023 ROBERT B. STEWART** UNDERGRADUATE MAN OF THE YEAR

Michael is a Public Accounting Major in a five-year BBA/MBA one-hundred-fifty credit program at Pace University. He has been an Assurance Intern at Ernst & Young and at CohnReznick LLP the previous summer. He is very involved on campus and enjoys spending a lot of time in the clubs and activities that he takes part in. Michael is the former president of the Alpha Phi Gamma Chapter and treasurer for the Order of Omega Honor Society. Last academic year he won the "Outstanding President" award for being the top president out of every club, student organization and Greek organization on Pace's campus. In his free time, Michael enjoys playing music with his band "Debits and Credits", where he plays the piano, bass guitar and sings. He also enjoys staying active by playing tennis, pickleball, arc softball and running. This award means a lot to Michael because he pays for his own college tuition, and he will use this scholarship to pay for expenses to help further his career in accounting.

DOMINICK FILAR ΑΦΗ | **STANLEY G. BEDFORD** GRADUATE SCHOLARSHIP

Dominick is currently pursuing a Master of Science degree in Business Analytics at Rutgers University-Camden, where he also recently received a Bachelor of Arts degree in Economics. Outside of school, Dominick is currently an intern at the New Jersey Department of Treasury in the Division of Pensions and Benefits. In his free time, Dominick enjoys watching a variety of sports, which has sparked a passion for researching sports trends to base future predictions. The scholarship provided by the Alpha Chi Rho Educational Foundation will go a long way toward pursuing his degree and continuing to be the first person in his family to attend college.

SAMUEL BETZ ΗΧΦ | **F. PRESCOTT HAMMOND** GRADUATE SCHOLARSHIP

Sam is a first-year graduate student in the Athletic Training Program at Lock Haven University. He enjoys working out, playing video games, karate, hunting, fishing, and spending time with friends and family. The Fraternity has afforded him so many opportunities to make friends, be a leader, and give back to the community. Within the Phi Mu Chi Chapter, he has held the positions of secretary, vice president, and president. This scholarship will help him get closer to achieving his professional dream of becoming a baseball athletic trainer for a Division 1 or minor league team.

OSAMA "SAM" AL SAFARJALANI OXO | DONALD F. JONES **GRADUATE SCHOLARSHIP**

Sam is a third-year Doctor of Dental Surgery (D.D.S.) student at New York University College of Dentistry. With a lifelong passion for dentistry, he aspires to provide oral healthcare to underserved communities nationally and internationally. Sam's transformative experience in the Dental Student Leadership Institute, in which he was one of twenty members of his cohort selected to attend, has significantly shaped his perspective on dentistry and his professional trajectory. In his free time, he enjoys exploring new cities and pursuing photography, while also volunteering for the Syrian Youth Education where he mentors Syrian high school graduates. The scholarship will support him in his pursuit of equitable healthcare by lightening the financial burden of dental school.
