## Man in the Mirror

[Front cover] The original poem by Dale Wimbrow titled "The Guy in the Glass" was first published in the American Magazine in 1934. The magazine had asked their readers to offer an answer to a young man's question to the Editor of the magazine as to "Why he should be honest". Alpha Chi Rho adapted the poem on the following pages as an exoteric ceremony during the Postulant Education Program which is still in use today.

When you get what you want, and you struggle for self, and the world makes you king for a day

Just go to the mirror and look at yourself and see what that man has to say.

Although there are others in life's pathway,  
whose judgment upon you must pass,

The fellow whose verdict counts most in your life,  
is the man staring back from the glass.

You may win all the medals and show all the rest,  
And think you're a wonderful guy...

But the man in the glass says you're only a fraud  
If you can't look him straight in the eye!

He's the only one to please after all's said and done,  
For he's with you clear up to the end.

And you have passed a most dangerous, difficult test,  
If the man in the glass is your friend.

You may fool the whole world, down life's pathways of years  
And get a pat on the back as you pass

But your final reward will be heartache and tears,  
If you've cheated the man in the glass.

## Educational Foundation

Brothers, Family and Friends:

Just the other day, I realized that the Foundation Annual Meeting this April will be the end of my 5<sup>th</sup> year as President. So, I thought this Annual Report would be a good place to let you know not only what has happened in 2016, but also where YOU have brought the Foundation during these years.

Since 2012, the Trustees and volunteers have worked hard to increase support of the Foundation and our Brothers have stepped up to the challenge.

We wanted YOU to know that your donations are appreciated! YOU are important to your Foundation and Fraternity and, without you, we cannot do all the things which will help our Brotherhood thrive.

We have reached our goals:

- Lifetime and Annual Giving societies were established
- New digital and print communication vehicles and social media channels were created to keep you informed
- 15 scholarships and multiple Chapter leadership and educational grants
- Prevention programs like "No2Hazing," and "It's on Us" were funded to ensure safety on campuses
- Professional coaching programs were piloted with our Chapters to develop stronger leaders

Finally, because of YOU, we hired Jay Anhorn, Lehigh '95, the new Director of Development, who is hard at work moving AXPEF forward.

So today we are ready to Grow Crow in all ways, but we cannot do it without your continued and increased support. Help us by setting up a monthly recurring gift. Get your Chapter Brothers to donate, everyone's help is needed. *We look forward to hearing from you to make the Brotherhood stronger!*

In the Bond,

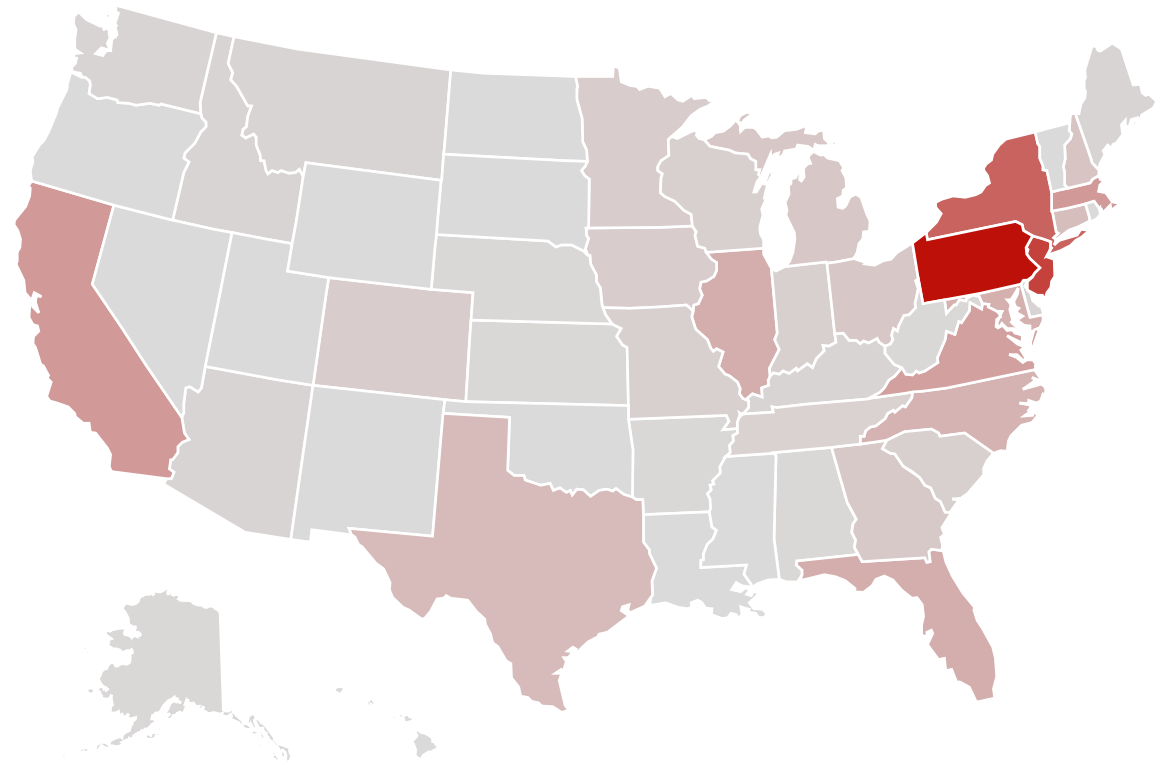

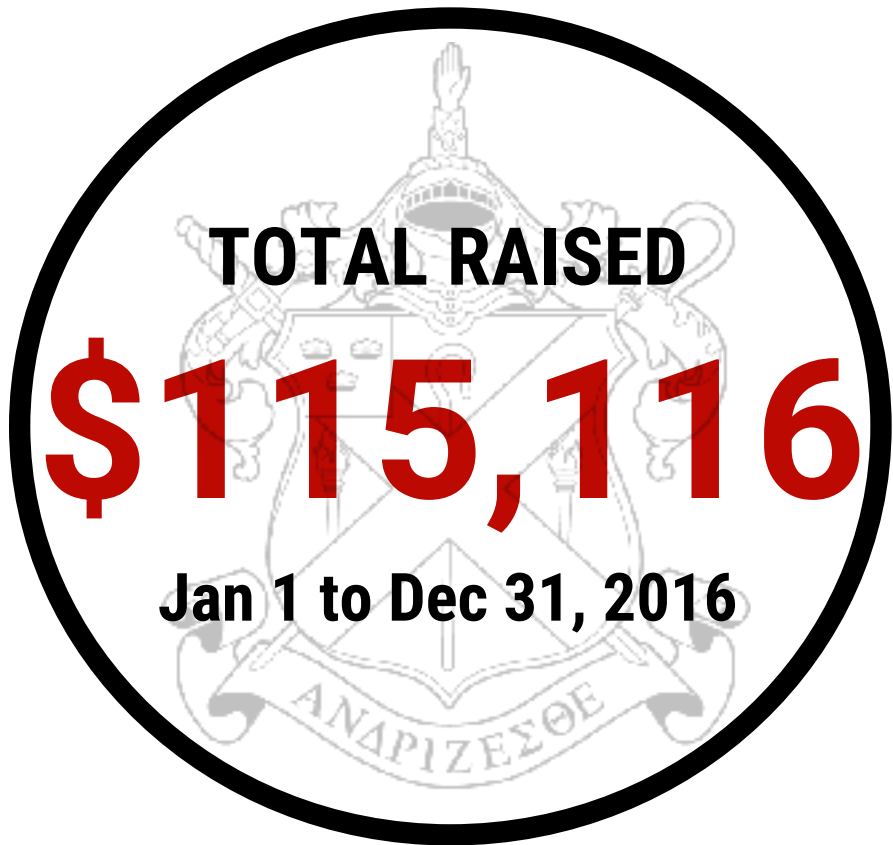

Gary DelPiano  
President, Alpha Chi Rho Educational Foundation

P.S. We can make giving easier than ever – online at [alphachirho.org/donations](http://alphachirho.org/donations), or by giving us a call at 732-988-0588. Together, we can promote positive growth and strengthen our Fraternity for future generations.

---

*"Although I am the one receiving this award, I think that it speaks more to those who have influenced me within Alpha Chi Rho. The Brothers who had leadership positions when I was a Postulant led by example and quietly set guidelines on how to be a good man not only within Alpha Chi Rho, but also in life. These men inspired me to work hard both in school and for my Chapter, as well as taught me how to maintain important relationships and do good for others. Without them, I wouldn't be the Brother or man I am today. I understand the importance of this scholarship, am honored to receive it, and hope that I can influence and inspire younger Brothers of Alpha Chi Rho just as my older Brothers have done for me."*

# You shape the Future of Alpha Chi Rho

These are exciting times for you and the Fraternity.

In 2016, the National Council and Foundation Board created a vision that will launch Alpha Chi Rho into the strongest it has ever been. With your commitment and that of all of our graduate Brothers, the Fraternity will live up to its brand promise: cultivating men of word and deed and providing an experience for college men that will foster true character, honor and integrity.

How can this be achieved? **We need your time, talent and treasure; but, moreover, we need your Brotherhood.**

- Connect with your Brothers online through our social media groups,
- Update your information with the National office so you can receive our newsletters and mailings
- Attend our biennial Convention in Orlando this June
- Participate in your Chapter homecoming events
- Organize a Graduate Chapter or regional alumni club

The ritual and oath of Brotherhood extends way beyond the undergraduate level. Many of us claim that membership in Alpha Chi Rho defined how we truly became men.

Now a new generation is looking for that same experience that all of us had. They are looking for mentorship, leadership skill development, career preparation and academic support. Today's college men need skill sets that will set them apart in society. Alpha Chi Rho should provide these tangible benefits of membership. **You can help make that happen.**

Do you have the time to serve as an advisor, mentor or coach? Do you have the talent and resources to help educate our men? Do you have the financial capacity to make a difference? Whether it's an annual gift, or a small regular monthly contribution, **you will change the future of Alpha Chi Rho.** We are growing and returning many Chapters back to the nest.

## How will you be part of this upward momentum?
